

ARE YOU LOOKING FOR A JOB IN EARLY CHILDHOOD EDUCATION?

The Child Care Council of Kentucky is offering a one of a kind training program to get you ready to enter the field of Early Childhood Education. Participants will attend a four-day training that will supply them with the knowledge and skills to be ready to fulfill a position in a child care center. Upon successful completion, participants will receive a \$50 Visa card, and upon hire, will be eligible to receive a \$50 gift card to be used at the Parent Teacher Store.

Your profile will be available on the Child Care Council website for STAR rated facilities to view. STAR rated centers may then hire you through the CCC and you will be equipped and ready to start your career in early childhood education.
